

**DECLARATION, POWER OF ATTORNEY, AND PETITION**  
(Continuation in Part)

We, **JOSEPHUS BRUGMANS\***, **WILLIAM POLLACK\*\***, **PAUL ADRIAAN JAN JANSSEN\***, and **DANIEL TRIPODI\*\***

declare that we are citizens of Belgium\* and the United States of America\*\* residing at

Missionarisler 21, Schilde-Antwerp; Sunset Road RD#2, Belle Mead, in the County of Somerset and State of New Jersey; Antwerpsesteenweg 31, Vosselaar, Turnhout; and 12 Kirsi Circle, Westford, in the County of Middlesex and Commonwealth of Massachusetts, respectively

read the foregoing specification and claims and we verily believe we are the original, first, and joint inventors of the invention or discovery in

**AIDING THE REGRESSION OF NEOPLASTIC DISEASE WITH 2,3,5,6-TETRAHYDRO-6-PHENYLIMIDAZO[2,1-b]THIAZOLE**

described and claimed in the foregoing specification; that this application in part discloses and claims subject matter disclosed in our earlier filed pending application, Serial No. 424,030 filed 12/12/73; that as to the subject matter of this application which is common to said earlier application we do not know and do not believe that the same was ever known or used before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to said earlier application, or in public use or on sale in the United States more than one year prior to said application; that said common subject matter has not been patented or made the subject of an inventor's certificate before the date of said application in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to said application; and that no application or inventor's certificate on said common subject matter has been filed by us or our representatives or assigns in any country foreign to the United States, except as follows:

(See attached page 1-a)

That, as to the subject matter of this application which is not common to said application, we do not know and do not believe that the same was ever known or used before our invention thereof or patented or described in any printed publication in any country before our invention thereof or more than one year prior to this application, or in public use or on sale in the United States more than one year prior to this application, and that said subject matter has not been patented or made the subject of an inventor's certificate in any country foreign to the United States on an application filed by us or our legal representatives or assigns more than twelve months prior to this application; and that no application for patent or inventor's certificate on said subject matter has been filed by us or our representatives or assigns in any country foreign to the United States, except as follows:

Renoux et al., Nature New Biology, 240, 217 (1972)

\*which in turn is a continuation-in-part of application Serial No. 281,367, filed August 17, 1972, now abandoned.
